

# OCCUPY MILWAUKEE!

Local 212's Executive Board has endorsed the Occupy Wall Street movement.

**T**he **Wall Street occupation** has become a **national movement** for **democracy** and **against the corporate control** of our government and economy. **Citizens are angry** because Wall Street **banks** were **bailed out** while the **unemployed** and **homeowners were not**. We know that politicians like **Scott Walker** appoint their **cronies to jobs** for which they are **not qualified**, while they **force layoffs** of teachers, police officers and firefighters by **slashing local funding**. The **system is corrupt** because the **bankers, CEOs** and **puppet politicians** have rigged it. They are **making out like bandits** while **they treat** the **nation's hard working** people **like chumps**.

Just like Local 212 members said NO to Walker and his cronies when he tried to take away our union rights, the Occupy Wall Street movement is saying NO-we will not allow the destruction of our democracy so that the 1% can have private jets and vacation homes.

**We urge Local 212 members to support and participate in the Occupy Milwaukee rally and march on Saturday, October 15 at 11 am at Zeidler Park.**

**Join us Saturday at 11 am in standing up for democracy and working people. Occupy Milwaukee!**
